

**Maroa-Forsyth
Grade and Intermediate
Schools**

Superintendent:
Mr. Williams

The 2007-2008 school year has been an exciting one for the Maroa-Forsyth School District. In April, the voters of Maroa-Forsyth overwhelmingly approved two ballot issues allowing the Maroa-Forsyth School District to construct a new elementary school. This new 85,000 square foot facility will feature 40 classrooms, a media center, two computer labs, a 1200 seat Gymnasium/Performing Arts Center as well as increased common spaces such as hallways, lunchroom space, and restroom areas. The facility will house Pre-Kindergarten through 5th grade and will be completed in time for the 2009-2010 school year.

I would like to take this opportunity to thank the Village of Forsyth and the Maroa-Forsyth Board of Education for their hard work and dedication to this long process, but most of all, I would like to thank the voters of both Maroa and Forsyth for giving the district the opportunity to provide a quality educational facility to the students of Maroa-Forsyth for generations to come.

Mr. Williams
